

DEVOLD® TOTAL

FLAME RETARDANT WOOL / LENZING BLEND

DEVOLD® TOTAL - a robust underwear that offers good protection against cold and flames. The garments are made from a rib knitted fabric consisting of 50 % wool and 50 % Lenzing FR® - a flame retardant fibre. Devold® Total is flame retardant and do not melt. The underwear has a good fit and dries on your body. Devold® Total is perfect for employees of fire brigades, electric power plants, offshore and industry. Devold® Total is Super Wash treated to reduce shrinkage.
